Applications are invited from students normally resident in the United Kingdom wishing to undertake a higher degree at an Australian University for a period of up to three years. Applicants must show their eligibility for an Australian postgraduate programme. Please see more at [www.britain-australia.org.uk/northcote](http://www.britain-australia.org.uk/northcote)

There are no limits on the field of study but applicants must demonstrate a clear reason for the study to be undertaken in Australia. **The Trustees will only accept applications for PhDs and Master's programmes with a significant research-based component. Please note the Trust does not support solely professional qualifications for Master's level study. Recently funded projects can be viewed on our [website](http://www.britain-australia.org.uk/northcote).**

The Scholarship provides:

- a student economy class return airfare to Australia
- payment of compulsory course fees at an Australian University
- standard OSHC health insurance
- visa cost
- a stipend of up to A\$38,000 per annum (paid quarterly)
- a one-off establishment cost payment of A\$2,000

Application forms and further details are available via the contact details above. Award granted end October 2025 for study commencing any time in the following 12 months. **Applications only accepted if on the prescribed forms.**
