

Academic Quality Officer (Partnerships)

Job Description

The Role

Job title:	Academic Quality Officer (Partnerships)
Department:	Academic Services
Responsible to:	Academic Quality Assurance Manager
Location:	Cirencester, Gloucestershire, GL7 6JS
Salary:	Grade 6: £30,378 - £35,608 per annum
Term:	Full-time, 35 hours per week, permanent; hybrid and flexible working arrangements considered
Relationships with:	Academic Services teams, Academic staff, students, Senior Academic Leadership, External Examiners, Professional, Statutory and Regulatory Bodies (PSRB), professional services and academic staff at collaborative partners.

We have a number of different ways to work flexibly, so at your interview feel free to talk about what flexibility means to you. There are no guarantees, however, examples of how our employees already work flexibly include part-time, job share, hybrid-working and compressed hours.

Purpose

The post holder will work with collaborative partners and senior stakeholders to ensure that there are rigorous and effective processes in place and assure the quality and standards of awards at the University. Reporting to the Academic Quality Assurance Manager, the post holder will work alongside the wider team to provide an efficient service to members of the academic staff and external examiners. The role may include occasional travel within the UK and overseas.

Key Responsibilities

1. Under the direction of the Academic Quality Assurance Manager, providing definitive advice and guidance to members of staff at the University's collaborative partners regarding the regulations, and academic codes of practice.
2. Acting as secretary to academic committees, senior leadership and operational meetings with partners, scheduling and planning meetings, preparing agendas and paperwork, taking minutes and following up actions.

- 3.** Acting as the Validating Officer for the institutional approval processes including collating due diligence, validation of new programmes, and periodic revalidation of existing programmes at collaborative partners; including arranging and leading scrutiny meetings, reviewing documentation, providing advice and feedback to collaborative partners and monitoring conditions.
- 4.** Coordinate annual programme reviews, collating the feedback and data required for review, providing advice and guidance to link tutors, collaborative partners and senior stakeholders on areas of interest or concern, and monitoring action plans throughout the year.
- 5.** Reviewing and processing programme and module change requests in accordance with university policy. Ensuring programme specifications and module specifications are accurate and up-to-date at all times.
- 6.** Manage the university's relationship with external examiners at collaborative partners, acting as a first point of contact for advice and guidance. Ensuring processes to appoint and pay external examiners are completed promptly and accurately. Supporting the induction of external examiners. Collating feedback and annual reports from external examiners.
- 7.** Organising and supporting student surveys, and other mechanisms to gather feedback from students at collaborative partner institutions. Analysing responses and providing advice and guidance to link tutors, programmes teams and senior stakeholder on areas of interest or concern.
- 8.** Providing support to partnership link tutors and collaborative partners throughout the academic year to ensure the smooth delivery of the academic quality lifecycle, scheduling meetings, taking notes, and resolving issues.
- 9.** Supporting and facilitating the operational activity between the university and collaborative partners; working with colleagues in Registry to ensure the university presents a seamless and coordinated service to collaborative partners. Making connections and facilitating conversations where required.
- 10.** Preparing reports and papers on issues and matters related to academic quality assurance as required, including liaison with PSRB bodies.
- 11.** Support the Academic Quality team and the wider work of Academic Services.
- 12.** Making a significant contribution to the work of the University. Supporting the strategic goals of the University, assisting other areas as and when required.

General responsibilities:

- The University is committed to equality of opportunity. All staff are required to comply with current legislation, University policies and good practice guidance.

- All staff are required to act in a way that safeguards the health and wellbeing of children and vulnerable adults at all times. The post holder must be familiar with and adhere to appropriate safeguarding policies and guidance and participate in related mandatory/statutory training. Managers have a responsibility to ensure their team members understand their individual responsibilities with regard to safeguarding children and vulnerable adults.
- All staff are required to participate in the University appraisal process and should ensure they are familiar with the process and plan time to prepare for their appraisal. Following the appraisal, staff are expected to undertake in any necessary learning and development and work towards the objectives that have been set.
- The University expects staff to attend any training designated as mandatory and to undertake learning and development activities to support their role. Managers must facilitate learning and development within their teams.
- It is a condition of employment that staff will not disclose any information obtained in the course of their duties other than to those entitled to receive it. The post holder must ensure that the confidentiality of personal data remains secure and that restricted information or highly restricted information to which they have access remains confidential during and after their employment at Royal Agricultural University. All staff must undergo appropriate data protection training as required.
- All absence from work must be reported in accordance with the University's absence procedures and recorded on iTrent.
- The University acknowledges its responsibility to provide a safe, smoke free environment, to its employees, service users and visitors. It is the policy of the University not to allow smoking on University premises other than in specifically designated areas.

University Values

As a University we have chosen five values to underpin our learning community. These are the values which we will all work by and for which we want the RAU to be known. We are:

- Collaborative - we believe in the power of working together. We are stronger as a community of practice - inspiring each other, identifying shared goals, and providing reciprocal support leads to greater success.
- Open-Minded - we are receptive to new ideas and we value the diversity of experiences and skills. We are committed to listening to everyone across the RAU community.
- Resourceful - we adopt creative approaches to achieve our goals while setting higher standards, promoting professionalism and sustainability.
- Responsible - individually and collectively we take accountability for our actions working with integrity to achieve the highest ethical standards.
- Inclusive - we acknowledge the fundamental value and dignity of all individuals and are committed to maintaining an environment that seeks to eliminate all forms of discrimination and respects diverse traditions, heritages, and experiences.
