BSc (Hons) Rural Land Management: Mapping to RICS Assessment of Professional Competencies (Land and Resources Pathway: August 2018)

Mapping below shows the core modules on the BSc (Hons) Rural Land Management programme (i.e. those undertaken by all students) and they are mapped against the Land and Resources Pathway Mandatory Competencies and the 12 Optional Competencies listed as the 'primary skillset' in the August 2018 'Pathway Guide: Land and Resources' as appropriate to the rural land management context of the programme. However, it should be noted that as shown on the Rural Pathway mapping for the programme students on the course will address other competencies over and above the 'primary skillset' ones.
