

## CANTER TRACK HIRE DISCLAIMER OF LIABILITY

**DISCLAIMER OF LIABILITY:** The Royal Agricultural University disclaims liability for any loss or injury suffered by any person by the use or misuse of hiring the canter track.

**USE AT YOUR OWN RISK:** It is your responsibility to evaluate you and your horse(s) ability to use the canter track safely. Do not undertake any work unless you are competent in doing so. While every effort is made to ensure the canter track is safe, you are aware of the following risks:

- Machinery working on the yard
- Horses in adjoining paddocks
- Crow scarers
- Horses on nearby hacking tracks
- Other users on the canter track

Advice and guidance can always be gained from RAU staff on site or an approach to the Farms Office or Health and Safety Officer at the main campus.

Access to site is controlled and any out of hours activity will need to be agreed with the RAU

Risk management at Fossehill Equine Centre is a primary concern for all involved. To this end the University insists on the wearing of all Personal Protective Equipment as defined by risk assessment – this is designed to maintain the safety of all our users. Deviation from this is defined as negligence and represents a detraction from the high safety standards the University actively promotes.

By continuing with your booking on the on line shop you are confirming that you have read and accept the above.
