Purpose

Fossehill Farm is the home of the Royal Agricultural University Equestrian Centre. The facility is a commercial unit providing various types of livery for equines, as well as supporting the RAU with equestrian education and academic research. This role works closely with the School of Equine Management and Science and Commercial Services delivering the smooth running of the yard encompassing the well-being of the horses and clients whilst enriching the student experience.

Key Responsibilities

- Work with the Yard Supervisor and team to oversee the day to day care of all equines onsite, ability to work flexible hours, prioritise and complete all tasks in a professional diligent manner in a changing work environment.
- Maintain good communication with all RAU staff, students, clients and visitors.
- Understand the needs and expectations of line mangers, co-workers and clients.
- Provide a high standard of equine technical support, horse husbandry and stable management.
- Routine maintenance to the site in accordance with yard procedures.
- To be responsible for and supervise casual employees and oversee livery horses care ensuring needs are met.
- To demonstrate and practice excellent horse handling skills.
- Ensure a high level of customer service and satisfaction to all RAU clients.
- Maintain a high level of cleanliness, bio-security and organisation within all areas of the yard

and ensure all stock, consumables and procedures are accurately recorded.

- Adhere to the Health and Safety policy and procedures of the RAU and relevant departments.
- Computer literate with a good understanding of Microsoft programmes.
- To work with agricultural machinery to a competent level.
- A good range of practical skills within an equine environment.
- Experience of working in a physically demanding environment.
- To be able to perform flexible tasks not specifically referred to above. Any duties as reasonability requested by your line manager.
- Training will be provided where necessary with specific systems or equipment.
