

ROYAL AGRICULTURAL UNIVERSITY

COURSE TRANSFER FORM

Before you decide to change your course you should seek academic advice with someone in your academic department. If your new course is in a new department then you should also seek advice in that department.

Once you have discussed the above and reached a decision that you want to change your course you will need to apply formally using this RAU Course Transfer Form.

Please note that changes for the current academic year will be accepted if: a) they are approved by the academic department/s involved and b) they are submitted by the end of the second week of Term 1.

The deadline is to ensure that you are able to start attending lectures and workshops for the new course as soon as possible. Applications which are submitted after the deadline are normally refused but may be exceptionally approved with conditions.

Students who wish to change their degree programme must complete this form and have approval from each academic staff member concerned. This form should be completed by the student, relevant Course Managers and the Head of the Academic Department.

Course Details (to be completed by Registry Staff)

Student's Current Course

Course Instance (e.g. AG1F):	Full Title of Course:
---------------------------------	-----------------------
