Pay in full - Tuition Fees and/or University charges can be paid in full by debit/credit card. Your payment will be processed immediately and the full amount collected at that time.

Recurring Card Payment (RCP) - Tuition Fees can be paid in three instalments on scheduled dates using a debit/credit card. Once a recurring card payment agreement is in place, all scheduled payments will be made automatically and therefore you do not need to do anything further unless you change your debit/credit card. (Your University **Charges** will, however, be processed immediately and the full amount collected at that time)

You will receive an email confirming the dates of your future payments and it is your responsibility to contact your bank to ensure you have sufficient funds in the account and that your payment will not be stopped.
