

Our business is backed by electricity generated from renewable sources.

We certify that Royal Agricultural University has its electricity supply backed by UK Renewable 100% from EDF Energy.

1st April 2020 to 31st March 2021

A handwritten signature in black ink, appearing to read 'R. Hughes'.

Rich Hughes
Director of Sales and Marketing

All source certification meets GHG Protocol Scope 2 Guidance Quality Criteria. This is not a REGO certificate. REGO certificates are held by energy suppliers for Fuel Mix Disclosure. The low carbon electricity that we buy for Renewable tariffs and products is supplied into the National Grid. Customers receive that electricity through the National Grid, not directly from low-carbon generators.
