About the event

Come and join us for the Alumni Reunion Dinner on Saturday 21 September.

Enjoy a drink, reminisce about your time at Cirencester and dine with old friends who were here at the same time as you, as well as connecting with RAU Alumni from across the decades.

We look forward to welcoming alumni from all years back to Cirencester.

Before dinner, there will be the option to join a tour of the John Alliston Centre and Trent Lodge, and a question and answer session with the Vice Chancellor, Professor Jo Price and some of our new academic team.

The Tithe Barn will be open, serving our very own Cotswold Hills wine and Muddy Wellies beer before and after dinner.

Ron Coaten Testimonial

Ron Coaten is our guest of honour as this year he makes his farewell after 50 years. Many will remember Ron, and this is a wonderful opportunity to celebrate his contribution and share memories.

If you cannot make it to the dinner but would like to share your photos, memories or anecdotes about Ron please email alumni@rau.ac.uk or telephone the office 01285 652531
