

THE IAgrM LEADERSHIP DEVELOPMENT PROGRAMME 2020

THE LEADING EXECUTIVE LEVEL POLICY COURSE FOR THOSE ENGAGED IN THE AGRICULTURAL AND LAND-BASED SECTOR. CIRENCESTER – BRUSSELS – WESTMINSTER

Designed for individuals with a real desire to effect change, the Institute of Agricultural Management (IAgrM) Leadership Course provides unparalleled access and interaction with the most influential sector leaders from production, retail and policy across the entire food and farming industry.

"The programme had a profound impact on me. The three weeks are intense, challenging and uplifting. They leave you with a deep self-belief that you can achieve great things. I would wholeheartedly recommend this leadership programme to anyone who believes that they can do something bigger, better and lasting with their lives, particularly those of us who believe we are leaders and change makers for the better."
